

Attendee Comments

- I really enjoyed what you had to say... it has stayed with me. H. F-P.
- Kathryn has the ability to make complex things very simple - and relevant. J.L.D.
- She has a great sense of humor and perspective as well as an infectious enthusiasm for her subject and her experience is very evident. P.R.
- Working with management with the primary objective of improved customer service to a large and diverse engineering organization such as ours (and getting us to understand) is no small task. It was a very good experience. D.M.

“It is not the strongest of the species that survives, not the most intelligent, but the one most responsive to change.”

-- Clarence Darrow

About Kathryn – The C-IQ Coach

Her book, *What's It Mean - Shifting To Green?* is a reflection of her dedication to the planet and the role of business in addressing environmental needs. You can find it on amazon and Kindle.

Her years as a consultant devoted to business and leadership effectiveness offers a deep vein of experience for organizational excellence and leadership topics. Her uncanny ability to tap into future trends and understand their strategic significance has benefited clients for years.

Kathryn has spoken worldwide to audiences of all sizes.
